I remember your work with OSS very well as I had access to all the files on that area and often heard [redacted] and Colonel Aldrich talk about you. As I recall it, I think we met in Cairo in 1945.

When Bob mentioned your possible availability, I was immediately interested. I am turning your letter over to the people Bob talked to here who have the most immediate interest and who will get in touch with you.

Consequently, I don't want to ask you to make a special trip to Washington at this time to see me, but when you get down here, I do hope you will drop in as I expect to be here right along. Just give my office a call when you get in town.

Sincerely yours,

LAWRENCE R. HOUSTON
